

## **How to access workbooks**

### **Ordering Workbooks**

To order full-color, spiral-bound workbooks, simply visit [myquietcave.org/shop](https://myquietcave.org/shop) to make your purchase. Be sure to allow time for shipping prior to your first meeting. For orders of 20 or more workbooks, a bulk discount of 20% is available.

### **Downloading Workbooks (PDF versions)**

Thanks to our generous donors, My Quiet Cave is able to offer downloadable PDF versions of all our workbooks free of charge.

**Facilitators:** In order to view and download facilitator workbooks, you must complete your training and be upgraded to Approved Facilitator status in My Quiet Cave Online. In your account, simply go to RESOURCES - Facilitator Workbooks to download.

**Participants:** Upon completion of training, Approved Facilitators will be emailed a direct link to download participant workbooks, which can be shared with group members.

**Viewing:** PDF workbooks can be viewed across a variety of devices, including phones, tablets, laptops, and desktop computers.

**Printing:** If you plan to print these PDF pages, be sure to download the appropriate version that is labeled for printing. These are optimized for printing with simpler images and larger margins.
